Would you like to launch the fireworks you've imagined into the night sky?

The 5th Simulation Fireworks Competition
Call for Entries

First-time participants and advanced users are both welcome. Basic operation of the fireworks creation software is explained on the association's website.
You can also enjoy viewing past competition entries.
Please visit our website for more information.

Entry period : August 24, 2024, to October 27, 2024.

■Outline of the competition.
The competition consists of three categories:
Theme Song Division, One-shot Division, and Free Composition Division.
Winners of Excellence and Best of Show will be determined by both viewers and judges.
This year's Assignment music is "Eternal River."
